Applicants from outside Java are encouraged
to apply to this scholarship program.

The selection committee will greatly appreciate applicants who have already identified a master/doctoral program and have been in correspondence (via e-mail) with the Professor in charge of the program, as a proof of their motivation and interest to study in France.

Please note that applicants are not requested to get an acceptance letter.

The Edufrance offices in Indonesia may help you in order to find the study program that suits your project.
